Environment enhancement to promote psychological well-being.

The facility is providing enrichment and the regulated birds present live in a socialized setting, however a written plan for environmental enhancement that is approved by the attending veterinarian is not available. A written plan helps ensure that birds are provided with species-appropriate enrichment and socialization. Ensure that a written environmental enhancement plan that is approved by the attending veterinarian is maintained.

***Correct by June 30, 2025.

This inspection and exit interview were conducted with a facility representative.
