### 2.40(a)(1)

#### Attending veterinarian and adequate veterinary care (dealers and exhibitors).

A written program of veterinary care with a current attending veterinarian for the facility has not been completed and kept up to date. The program of veterinary care available during this inspection included a veterinarian who is no longer the facility's attending veterinarian. The written program of veterinary care and regularly scheduled visits by the attending veterinarian ensures that the facility has a program to follow, and all animals have adequate veterinary care. Each dealer and exhibitor shall employ an attending veterinarian under formal arrangements. In the case of a part-time attending veterinarian or consultant arrangements, the formal arrangements shall include a written program of veterinary care and regularly scheduled visits to the premises. The written Program of Veterinary Care in consultation with the facility's current attending veterinarian must be made available for review.

Correct by 11/11/2024.

This inspection and exit interview were conducted with a facility representative.
