2.76(a)

Records: Operators of auction sales and brokers.

The record of inventory was not up to date. Several animals needed to be added or subtracted from the inventory to correctly reflect the actual animal on hand. Every broker shall make, keep, and maintain records or forms which fully and correctly disclose the the information concerning each animal consigned for auction or sold, whether or not a fee or commission is charged: The record of inventory needs to be updated to accurately reflect the animals at the facility and those that have been sold or donated.
