Type: ROUTINE INSPECTION
Date: 17-MAY-2016

2.31(c)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

The IACUC had their meetings & facility inspections on February 19, 2015, and then again on April 6, 2016. It is recognized that there might have been difficulties in setting a date for these activities due to weather or other commitments of the members, but these activities shall occur at least once every 6 months.

Efforts shall be made to ensure that these activities are performed at least once every 6 months. This can be accomplished (but not limited to) having shorter intervals between these IACUC responsibilities, using technology (such as Skype for meetings), or appointing new member(s) who can commit the necessary time to being a IACUC member.

No further correction is necessary at this time. Ensure all IACUC activities are conducted at least once every 6 months.

2.35(a)(1)

RECORDKEEPING REQUIREMENTS.

The IACUC's written meeting minutes are only an outline of what was discussed such as "review research protocol and updates", "review IACUC committee document", and lists only "review" of several IACUC documents. This written outline of the minutes is more like a committee agenda than meeting minutes.

The written IACUC minutes does not contain any discussions or deliberations among the IACUC members of these "reviews".

The IACUC shall maintain records of the meetings which include the members in attendance, activities of the committee, and committee deliberations.

Correct during next IACUC meeting which is to occur no later than October 6, 2016.

Inspection Report

3.78(d)

OUTDOOR HOUSING FACILITIES.

The outdoor enclosure for the marmoset is not at least 3 feet from the perimeter fence.

Such fences that are less than 3 feet from the primary enclosure must be approved by the administrator. If you wish to obtain approval for the enclosure's current location you can make a request to the Western (Ft. Collins) Regional Office.

Correct by June 30, 2016

The exit interview was conducted with the registrant.
