**Access and inspection of records and property; submission of itineraries.**

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:57am on March, 14 2025. The inspector attempted to contact the licensee by knocking on the door of the house and the barn as well as calling the licensee and a facility representative. Voicemails were left on both phone numbers on the account and text messages indicating the need for a focused inspection were sent. The licensee contact the lead inspector are 12:05 PM and informed them that no one could be available for an inspection within the hour. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
