#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 8:15am on 22 April 2025. The inspector spoke with the owner as she was leaving. She could not stay and no one else was available to do the inspection.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
