WHITESVILLE, NY 14897

Customer ID: **505971**

Certificate: **21-A-0201**

Site: 001

YOST MILLER

Type: ROUTINE INSPECTION

Date: 10-JUN-2021

3.4(b)

Outdoor housing facilities.

*** The outdoor runs in the back of the kennel have a singular large shelter for all the dogs in the enclosure. These runs also need to have additional area of shade that is large enough to allow all the dogs to be out of the shelter and still have protection from direct rays of the sun. This needs to be addressed for their well being.

Correct by: June 15, 2021

This inspection and exit interview were conducted with a facility representative.
