Institutional Animal Care and Use Committee (IACUC).

The IACUC has not conducted a review of the program for humane care and use of animals at least once every six months. This semi-annual program review is important to assist the IACUC in its evaluation and oversight of proper care and welfare of the animals utilized at the institution. The IACUC must review, at least once every six months, the facility's program for humane care and use of animals to assure proper care and welfare of animals.

This inspection and exit interview were conducted with the Attending Veterinarian.
