ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:40 AM on 12/28/2015.

The gate to the driveway of the facility was closed and tied off. I contacted the licensee by phone and left a message. A relative of the licensee called me back a few minutes later and informed me that no one would be home till later in the night. I informed the relative of the licensee that I would have to attempt the inspection at a later date.

End of report.
