Type: ROUTINE INSPECTION

Date: 15-APR-2021

2.75(b)(1)

Records: Dealers and exhibitors.

There are no records or forms which fully disclose information pertaining to the animals held in their possession. Records must be maintained disclosing the complete information regarding acquisition, births, etc., for all animals in possession and any sales, deaths or disposals.

To be corrected by April 30, 2021.

3.75(e)

Housing facilities, general.

There are open and unopened bags of food on the ground in the barn. There is trash and garbage accumulating among the bags of food creating conditions that will increase the risk of food contamination. All food shall be stored in a manner that will protect it from contamination and deterioration.

To be corrected by April 30, 2021.

This inspection and exit interview were conducted with the owners.
