Site: 001

ANITA R. LENIHAN

Type: ROUTINE INSPECTION

Date: 11-SEP-2023

---

### 2.40(a)(1)

#### Attending veterinarian and adequate veterinary care (dealers and exhibitors).

The written program of veterinary care does not address the veterinary needs of the 2 macaws and the Indian runner duck. These animals need to be included on the written program of veterinary care to ensure adequate veterinary care is provided.

CORRECT BY : 10/1/2023

### 3.154

#### Environment enhancement to promote psychological well-being.

At time of the inspection this facility has not yet developed a plan for appropriate environmental enhancement for the 2 macaws and the Indian runner duck.

Dealers, exhibitors, and research facilities must develop, document, and follow a species-appropriate plan for environment enhancement adequate to promote the psychological well-being of birds. The plan must be approved by the attending veterinarian and must be in accordance with the regulations in this subpart and with currently accepted professional standards as cited in appropriate professional journals or reference guides. This plan must be made available to APHIS upon request. The plan must address social grouping, environmental enrichment, special considerations and restraint devices.

CORRECT BY : 10/1/2023

This inspection and exit briefing were conducted with the licensee.
