Date: 16-JUL-2024

---

### 3.154

#### Environment enhancement to promote psychological well-being.

The facility does not have an environmental enhancement plan in place to promote the overall psychological well-being of the birds at the facility. Exhibitors must develop, document and follow a species appropriate plan for the environmental enhancement to promote the psychological well-being of the birds that is within industry standards and approved by the attending veterinarian. This plan must be made available for future inspections.  
Correct by: Aug 1, 2024

This inspection and exit interview were conducted with the licensee.
