### 2.40(a)(1)

#### **Attending veterinarian and adequate veterinary care (dealers and exhibitors).**

The program of veterinary care was not available at time of inspection.

Each exhibitor shall employ an attending veterinarian under formal arrangements. In the case of a part-time attending veterinarian, the formal arrangements shall include a written program of veterinary care and regularly scheduled visits to the premises of the exhibitor.

The program of veterinary care must be made available at time of inspection. The program of veterinary care ensures that animals are provided appropriate veterinary care.

To be corrected by close of business on Wednesday, November 3, 2021.

### 3.127(d)

#### **Facilities, outdoor.**

A tree had fallen on the southeast corner of the perimeter fence. The tree took down approximately ten feet of fencing on the south portion of the fence and approximately fifteen feet of fencing on the east portion.

## Inspection Report

---

All outdoor housing facilities must be enclosed within a perimeter fence that is 8 feet high for potentially dangerous animals. The fence must be constructed so that it protects the animals in the facility by restricting animals and unauthorized persons from going through it or under it and having contact with the animals in the facility, and so that it can function as a secondary containment system for the animals in the facility.

A perimeter fence must be present to protect the animals, prevents other animals and unauthorized persons from having contact with the animals in the facility, and can function as a secondary containment system for the animals in the facility.

To be corrected by close of business on Tuesday, November 30, 2021.

This inspection and exit interview were conducted with the facility representative.

Additional Inspectors:

Kira Wagner, VETERINARY MEDICAL OFFICER
