### 2.75(b)(1)

#### Records: Dealers and exhibitors.

The facility's acquisition records were not complete. The facility did not have acquisition records for 1 emu, 2 Lovebirds, 4 Mandarin Ducks, 1 Kangaroo, 1 Zebra Finch, 7 Chickens, 2 Small Spotted Genets, 3 Domestic Ducks, and 15 Budgerigars. Failure to have complete acquisition records does not allow for proper traceability of regulated animals. Complete records are needed for proper management of the regulated animals at a facility and those being brokered, acquired, held, and sold.

Every exhibitor shall make, keep, and maintain records or forms which fully and correctly disclose information concerning animals other than dogs and cats, purchased or otherwise acquired, owned, held, leased, or otherwise in his or her possession or under his or her control, or which is transported, sold, euthanized, or otherwise disposed of by that dealer or exhibitor. The records shall include any offspring born or hatched of any animal while in his or her possession or under his or her control. Correct by ensuring all records are current and complete. Correct by 30-MAY-2025.

This inspection and exit interview were conducted with the Licensee.
