### 2.40(a)(1)

#### ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

The current Program of Veterinary Care (PVC) states that visits by the Attending Veterinarian will be made on a semi-annual basis. The last visit documented by the Attending Veterinarian was September 3, 2013 and the licensee stated they have not contacted the Attending Veterinarian to make a visit this year. Regularly scheduled visits by the Attending Veterinarian are important so that the husbandry and health of the animals can be observed and discussed. It is the licensee's responsibility to contact the Attending Veterinarian to make a site visit so that the animals can be observed, their husbandry discussed, and to update the PVC if there are any changes in the care of the animals.

Correct by 10/30/2014.

Exit interview conducted with facility representative.
