Institutional Animal Care and Use Committee (IACUC).

IACUC minutes indicate semiannual evaluations of animal care program and facilities were completed in February 2020, September 2020, April 2021 and January 2022. No reports of these evaluations to the Institutional Official could be found.

Properly completed and documented semiannual evaluations and reports to the Institutional Official are an essential function of the IACUC in it's mandate to assess the animal program, facilities and procedures and ensure the humane care and use of animals.

The IACUC remains responsible for the evaluations and reports as required by the Act and regulations. The reports shall be reviewed and signed by a majority of the IACUC members, shall be updated at least once every six months upon completion of the required semiannual evaluations, and shall be maintained by the research facility and made available to APHIS upon request.

To be completed by: After the next semiannual evaluation.

This inspection and exit interview were conducted with a facility representative.
