Type: ATTEMPTED INSPECTION

Date: 29-SEP-2016

2.126(b)

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 2:00 PM on 29-SEP-16.

There is a sign at the entrance stating the facility is currently closed and will reopen in the winter months. I spoke to a person who works for the new company and he confirmed the change of ownership, however the previous care taker is the current caretaker. I called the phone number on file and it was disconnected. If ownership has changed, this licensee must notify the eastern regional office to cancel their license.
