### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process from 1:20pm to 1:50pm on 10/18/24. The inspector attempted to contact the licensee by knocking on the door twice and honking the car horn before contacting the licensee on the telephone. The licensee advised that neither they nor an authorized representative would be available within an hour of the contact time.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
