Miscellaneous.

A contingency plan has not yet been developed by this facility . Research facilities must develop, document, and follow an appropriate plan to provide for the humane handling, treatment, transportation, housing, and care of their animals in the event of an emergency or disaster (one which could reasonably be anticipated and expected to be detrimental to the good health and well-being of the animals in their possession). This facility must develop, document , follow and train employees on the plan . CORRECT BY : 3/1/2023

This inspection and exit briefing were conducted with the registrants wife and the registrant by phone.
