2.1(b)(2)(ii)

Requirements and application

The licensee acquired two red foxes and has consigned the animals for sale. The licensee is not currently licensed to conduct regulated activities with wild/exotic canids. Selling foxes is regulated activity. Failing to acquire the correct license designations prior to obtaining restricted/dangerous animal species can result in animals being held by unauthorized and or unqualified personnel. The licensee must obtain a new license that includes authorization for use of wild/exotic canids prior to conducting regulated activity with any more animals of this type. Correct by 8/8/23.

This inspection was conducted with a representative and exit interview was conducted with the licensee.
This inspection was conducted in Madison, Florida.
