### 3.13(b)(3)

#### Veterinary care for dogs.

A facility representative said that all dogs are being vaccinated and dewormed, however records for vaccinations and dewormers given isn't kept for each dog for neopar and neovac (rabies vaccinations records were available). Medical records that have the names of all vaccines and treatments given to dogs have to be maintained to ensure each dog is being kept up to date on their care. Ensure to maintain medical records for adult dogs as required.

\*\*\*To correct from August 7, 2025 forward.

This inspection and exit interview were conducted with facility representatives.
