Type: ROUTINE INSPECTION
Date: 21-JAN-2025

2.75(b)(1)(iv)

Records: Dealers and exhibitors.

Multiple records of sales did not include address of the person to whom an animal was sold. Sales records ensure that animals can be accounted for, and traced if necessary in the event of a disease outbreak or other adverse events. The facility must ensure that sales records are complete.

Correct from 01/21/2025 forward.

2.134(b)

Contingency planning.

Documentation of an annual review of the contingency plan was not available. Annual review and documentation of review ensures that any necessary revisions for animal care are made, and ensures accountability for the review. The facility must review and document their review of the contingency plan annually.

Correct by 01/28/2025.

This inspection and exit interview were conducted with the facility representative.
