Minimum age requirements.

Three Mini Golden Doodle puppies were shipped at 51 days of age, 5 days prior to 8 weeks of age. The puppies were born on 2/8/25 and shipped on 3/31/25. Puppies younger than 8 weeks of age are more susceptible to stresses that occur from travelling and being placed into a new facility. Their immune systems are more susceptible to becoming compromised which could cause them to become sick and even die. The licensee must not sell and transport any puppies under 8 weeks of age. Correct starting on 5/8/25.

This inspection and exit interview were conducted with the licensee.

End of report.
