

Inspection Report

David Eglin
PO Box 638
Broadalbin, NY 12025

Customer ID: **2355**
Certificate: **21-C-0099**
Site: 001
David Eglin

Type: ROUTINE INSPECTION
Date: 25-AUG-2025

2.40(b)(2)

Attending veterinarian and adequate veterinary care (dealers and exhibitors).

Two goats were observed with long hooves. Long hooves can affect the health of the animal and could potentially lead to lameness and or pain/distress. The licensee must ensure that the goats receive regular hoof trimming in order to prevent overgrown hooves. The hooves were trimmed at the conclusion of the APHIS inspection.

*****Corrected on August 25, 2025

2.75(b)(1)

Records: Dealers and exhibitors.

Records are not being maintained to reflect the births and total numbers of fallow deer at the facility. Records must be maintained reflecting the information required per this section, including any offspring born at the facility. The licensee must develop and maintain records concerning all regulated animals owned or held at the facility.

*****Correct by September 8, 2025

This inspection and exit interview were conducted with the licensee.
