2.27(a)

Notification of change of operation.

**The registrant did not notify AC of changes in operations affecting the registrant including change of address. Current operational information is required by the AWA to allow inspections to ensure the health and well-being of animals transported. The registrant needs to notify AC in writing of current operations information including name, address and ownership.

Correct by 5/13/2022.

2.77(b)

Records: Carriers and intermediate handlers.

**The carrier is not keeping and maintaining a copy of the health certificates received during the transportation of live dogs and puppies. A copy of the health certificate must be maintained by the carrier for one year to comply with the records requirement and allow animals to be tracked for health and/or ownership purposes.

Correct from this time forward.

3.18(d)

Care in transit.

**During transportation of the live dogs or puppies, the carrier removes the animals from their primary enclosures allowing them to walk in areas while unleashed. The carrier should only remove animals during transportation for cleaning of the
