### 2.75(a)(1)

#### Records: Dealers and exhibitors.

The facility is not maintaining records of acquisition for cats/kittens. The facility reports they last acquired kittens in January 2024. Records showing acquisition of animals are important for disease traceback and in cases of suspected theft. Every dealer must make, keep, and maintain records which fully and correctly disclose the following information: name and address of the person from whom the animal was acquired; the USDA license or registration number of the person from whom the animals were acquired; the vehicle license number and State and the driver's license and State of the person; the name and address to whom the animal was given or sold; the date of the acquisition; a description of the cat including the species and breed, sex, date of birth, and any distinctive markings of the animal; and the method of transportation. Correct by ensuring complete records are made and maintained by the facility when cats/kittens are acquired. Correct by: end of business June 11, 2024.

### 2.75(b)(1)

#### Records: Dealers and exhibitors.

The facility is not maintaining records of acquisition for small mammals (excluding cats/kittens) and birds. Records showing acquisition of animals are important for disease traceback and in cases of suspected theft. Every dealer must make, keep, and maintain records which fully and correctly disclose the following information: name and address of the person from whom the animal was acquired, the USDA license or registration number of the person from whom the animals were acquired, the vehicle license number and State and the driver's license and State of the person, the name and address to whom the animal was given or sold, the date of the acquisition, the species of the animal, and the number of animals in the shipment. Correct by ensuring complete records are made and maintained by the facility when small mammals or birds are acquired. Correct by: end of business June 11, 2024.

This is a 1st Re-License Inspection for a Class "B" license. The inspection and exit briefing were conducted with the applicant.

All items must be in compliance within 2 more inspections or by August 10, 2024, or the applicant will forfeit the license fee and must wait 6 months to reapply. Please contact your inspector to schedule your next Re-License Inspection.
