### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:19 PM on May 10, 2023.

The licensee was unable to conduct an inspection because she was exhibiting animals at this time. The licensee does day trips only for exhibition. The inspector requested exhibit times and dates to reduce the possibility of attempted inspections in the future.
