### 2.40(a)(1)

#### Attending veterinarian and adequate veterinary care (dealers and exhibitors).

At the time of inspection, an up-to-date program of veterinary care with the information of the current attending veterinarian was not available for review.

A written program of veterinary care is needed to ensure adequate veterinary care for the animals on hand. Correct by ensuring the current attending veterinarian has reviewed and provided a written program of veterinary care in addition to performing regularly scheduled visits to the premises. Correct by February 17th, 2023.

### 2.134

#### Repeat

#### Contingency planning.

The facility has not developed a complete written plan to provide humane care for handling animals in the event of an emergency or disaster.

A written plan shall be developed and maintained to provide guidance for the appropriate care of the animals during emergencies that could reasonably be anticipated. The plan shall address specific tasks required to be carried out in response to the identified emergencies, personnel responsible for the actions to be taken, chain of command, etc., as required in Section 2.134 of the animal welfare regulations.
