### 2.75(b)(1)

#### Records: Dealers and exhibitors.

Every dealer other than operators of auction sales and brokers to whom animals are consigned, and exhibitor shall make, keep, and maintain records or forms which fully and correctly disclose the following information concerning animals other than dogs and cats, purchased or otherwise acquired, owned, held, leased, or otherwise in his or her possession or under his or her control, or which is transported, sold, euthanized, or otherwise disposed of by that dealer or exhibitor. The records shall include any offspring born of any animal while in his or her possession or under his or her control.

- (i) The name and address of the person from whom the animals were purchased or otherwise acquired; (ii) The USDA license or registration number of the person if he or she is licensed or registered under the Act;
- (iii) The vehicle license number and State, and the driver's license number (or photographic identification card for nondrivers issued by a State) and State of the person, if he or she is not licensed or registered under the Act
- (iv) The name and address of the person to whom an animal was sold or given
- (v) The date of purchase, acquisition, sale, or disposal of the animal(s)
- (vi) The species of the animal(s)
- (vii) The number of animals in the shipment.

Acquisition and/or Disposition records containing the required information were not available for review for multiple animals at the time of this inspection.

This information is required so that USDA officials can track animal movements. Accurate records of acquisition and disposition that include animals that have been imported or exported need to be available at the time of inspections.

### 3.78(e)

#### Outdoor housing facilities.

The facility was allowing young primates not under direct control of an experienced handler to jump on the head and shoulders of visitors. Nonhuman primates used in uncaged public exhibits must be under the direct control and supervision of an experienced handler or trainer at all times when the public is present. Primates should not be allowed on the heads and shoulders of visitors. Primates can easily injure a person before an attendant can consciously respond to
