Certificate: **73-C-0231**
Site: 001
RAEGAN CLEMENT

Type: ATTEMPTED INSPECTION
Date: 03-SEP-2020

2.126(b)

Repeat

Access and inspection of records and property; submission of itineraries.

Contacted licensee at her work number, she said that she failed to inform me that Thursday afternoons were no longer optimal hours and that it would be an hour and forty-five minutes before she could be available for an inspection.

Current agency guidance states optimal hours for inspection should be at least four hour blocks of time during daylight hours three days per week.
