#### REQUIREMENTS AND APPLICATION.

Farm animals are being exhibited at this facility named Saddlewood Horse Club, during birthday parties with the public without a valid USDA license. There are numerous ads on the internet showing this facility is exhibiting farm animals to the public for numerous years. The owner was unaware of needing a USDA license and will be applying to obtain one. Until a USDA license is obtained, no USDA covered animals can be exhibited to the public.

Exit interview was conducted with the owner of Saddlewood Horse Club.
