Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:35 pm on 28 July 2025. The inspector attempted to contact the licensee by speaking with the licensee's wife upon arrival at the facility who stated the licensee would not be able to return home from work until later in the afternoon. The licensee's wife was unable to facilitate an inspection with APHIS Officials. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
