Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany the APHIS Official during the inspection process at 1:25pm on Tuesday, April 15, 2025. The inspector attempted to contact the licensee by knocking on the door and calling the phone number on file. The inspector waited for approximately 30 minutes for a call back and then left. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
