Type: ROUTINE INSPECTION
Date: 25-JUL-2017

2.40(b)(2) CRITICAL

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

Female Dachshund, tag #132, cannot weight bear or walk on her left front leg but otherwise appears normal. According to the licensee the dog received an unknown injury to her leg in August 2016 while he was away from his facility. Veterinary care was not provided to the dog by the caretaker at the time of the injury nor the licensee upon his return. Untreated injuries can be painful and can lead to abnormal healing and loss of use of the injured body part. Consult the attending veterinarian about any injuries and follow any prescribed treatment. Correct immediately.

This inspection and exit interview were conducted with the licensee and facility representative.

End of report.
