2.27(a)

Notification of change of operation.

After the last attempted inspection, mailings have been returned to USDA as they could not be delivered as addressed. No communication has been made by the registrant to USDA APHIS Animal Care to let the agency know of a mailing address change. Failure to provide change of current address prevents Animal Care from inspecting and communicating on adequate animal care and welfare. A registrant shall notify the Deputy Administrator by certified mail of any change in the name, address, or ownership, or other change in operations affecting its status as an exhibitor, carrier, or intermediate handler, within 10 days after making such change.

To be corrected by: 31-December-2024

2.126(b)

Repeat

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:00AM on 12/16/2024. The inspector attempted to contact the licensee/registrator by knocking, calling and honking the car horn. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
