3.13(b)(4)

Veterinary care for dogs.

The record of results for the last fecal and heartworm testing completed at the facility were not available for inspection. Records are required to confirm if dogs have been tested per the written Program of Veterinary Care's (PVC). Ensure to work with the attending veterinarian to maintain records of testing results at the facility and if testing is needed to obtain updated testing.

This is a 1st Re-License Inspection for a Class A license. The inspection and exit briefing were conducted with the applicant.

All items must be in compliance within 2 more inspection(s) by March 8, 2025 or the applicant will forfeit the license fee and must wait 6 months to reapply. Please contact your inspector to schedule your next Re-License Inspection.

Regulated activity can continue under your existing USDA license until it expires.
