ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

The written program of veterinary care could not be located during this inspection. Licensee provided veterinary receipts listing veterinary visit on 9/16/16. Licensees with a part-time or consultant veterinarian must have formal arrangements with an attending veterinarian to include a written program of veterinary care in order to ensure adequate veterinary care. The licensee needs to locate the current program of veterinary care or provide a new program of veterinary care. A current and accurate program of veterinary care needs to be available for inspection upon request.

To be corrected by: March 15, 2017.

No regulated animals present at this time.

This inspection and exit interview were conducted with licensee.
