Notification of change of operation.

It appears that no one lives at the current TN address on record. The registrant was reached by phone and confirmed a move to another state and stated that they are no longer conducting regulated activity (transporting). The registrant has not notified USDA Animal Care of this change or the new address via certified or electronic mail. Registrant did not give out her new address. Transporter registrations are valid only for addresses for which they are issued. The registrant shall notify USDA Animal Care by certified mail or electronic mail of the change in operations/address within 10 days after making such change.

This inspection and exit interview were conducted with the registrant.
