Environment enhancement to promote psychological well-being.

The facility has its bird environment enhancement plan available and is following it. However, a review of the plan did not indicate that the plan has been approved by the attending veterinarian. This plan must be in accordance with the regulations in this subpart and with currently accepted professional standards as cited in appropriate professional journals or reference guides. Facility must have the attending veterinarian review and approve the bird enhancement plan to ensure that the birds are provided with the appropriate environment enhancements to promote their psychological well-being.

TO BE CORRECTED BY: OCTOBER 2, 2024
