2.126(b)

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1630 on 30-Aug-18.

I arrived at the facility at 1600. There was a locked gate across the driveway. I tried calling the primary number and there was no answer and no ability to leave a message. I waited for 30 minutes and tried calling the primary number again at 1630 with no answer. I reviewed the file again and found a second number. I called that number and left a message. At 1645, the facility owner returned my call and stated that he would not be able to meet me for inspection on that day and no other authorized person was available.
