Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany the APHIS Official during the inspection process at 1:55pm on Wednesday, January 15, 2025. The inspector attempted to contact the licensee by knocking on the door and then calling the phone number on file. The licensee answered and let the inspector know they were out of town for the day. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
