REQUIREMENTS AND APPLICATION.

This facility is currently conducted regulated activity without a valid USDA License. The facility currently maintains a website that promotes the exhibition of wolf hybrids at this location. During today's visit the USDA inspector was able to obtain verbal confirmation from the owner that this facility has been and is currently open to the public for exhibition of the 20 wolf hybrids currently on the premise. The exhibition of wolf hybrids require a valid USDA License to be in compliance with the Animals Welfare Act. No regulated activity can be conducted until a USDA License is obtained.

Correct by discontinuing all exhibition and regulated activities until a valid USDA License has been obtained.

The exit briefing was conducted with the Owner of the facility.
