Miscellaneous.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:34pm on 7/10/2024. The inspector attempted to contact the licensee/registrant by calling and emailing all contacts, knocking on Agricultural building and Veterinary Technology building doors, and then waiting 30 minutes.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.

This is the first attempted inspection.
