1. The inspector arrived at 4 PM on 4/6/16 to conduct an inspection but there was no one on the premises. The inspector contacted both of the Licensees by phone and learned that both individuals were at distant off-site locations and were not available to accompany the inspector on an inspection.

An AWA compliance inspection could not be conducted because there was no other facility representative available to accompany the inspector.

Unannounced inspections to determine compliance with the provisions of the AWA are required to assess the facility and the required paperwork.

Correct from this date forward.

NOTE - This is the FIRST attempted inspection of this Licensee. Report delivered by e-mail 4/6/16.
