Requirements and procedures.

The facility's registration expired 11/19/2019.

A current and active registration is necessary to transport regulated species to be in compliance with the Animal Welfare Act and Regulations. Each carrier or handler who handles covered animals shall ensure they are registered with USDA by completing and filing a properly executed form and that the registration is updated every 3 years by the completion and filing of a new registration form.

Airwaybill # 260-4103 1082 shows that one (1) Live dog, named: Appa Singh, was shipped on 07/24/24 on flight FJ 870 from Nadi International Airport to San Francisco International Airport.

No regulated activities may be conducted until a USDA registration is obtained.

This inspection and exit interview were conducted with the facility representative..
