#### Records: Dealers and exhibitors.

APHIS Forms 7005 and 7006 were not available for review at the time of inspection. Records of Acquisition and Dogs on Hand (7005) and Records of Disposition of Dogs (7006) are required to make keep and maintain information required for all dogs coming under the control of the dealer, which includes origin, name/address of the person from whom the animal was acquired, vehicular information, name/address of the person acquiring the dog, the date of disposal of the dog, the identification number, description of the dog including species, breed, sex, date of birth and color. Maintenance of this information ensures accountability and tracking of individual dogs as required under the Animal Welfare Act. The facility must ensure that these forms are maintained, properly filled out, and available for review at the time of inspection.

### 3.6(c)(1)

#### Primary enclosures.

A spayed female lab mix dog, Yuki, was housed in a rectangular crate with 7.25 square feet of floor space, and 30 inches in height. Yuki measured 28 inches high and 29 inches long from nose to base of tail. Yuki requires a minimum of 8.5 square feet of space and her primary enclosure must be at minimum 6 inches over her standing height at her head. The
