Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process from 1:40 to 2:22 PM on 12/18/2025. The inspector attempted to contact the licensee by knocking on kennel door, knocking on house door, honking the car horn, and calling the facilities phone number. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
