### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:30 on 9/18/2025. The inspector attempted to contact the licensee/registrant by phone and waited for 30 minutes. The licensee texted the inspector back, that he was out of the area and would not be available till later in the day. Future hours of availability were discussed.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
