### 2.126(a)(2)

#### Access and inspection of records and property; submission of itineraries.

At the time of the inspection, the records required to be maintained by the AWA could not be located for review by the APHIS official. These included, the consultant arrangements with the attending veterinarian, the facility's contingency plan and records of sales for hedgehogs. Per this regulation, these required records must be maintained and provided to APHIS officials during the inspection process.
