**Access and inspection of records and property; submission of itineraries.**

A responsible adult was not available to accompany APHIS Officials during the inspection process at 9:13 AM on 9/24/2025. The inspector attempted to contact the registrant by placing a phone call/voicemail, ringing the door bell, and sending a text message. The inspector was unable to reach the registrant.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
